**TO WHOM IT MAY CONCERN**

**RE:REQUEST TO PROVIDE YOUR INSTITUTION WITH OUR SERVICES**

Texcorp Solutions (PTY) LTD is a youth owned South African based company that seeks to provide quality information technology Services (ITs) for your organization. The company has initially provided quality services for both domestic and regional companies located within the Sub-Saharan region, as far as Botswana Gaborone. The company has provided a number of services such as Mobile Application Development (MAD), Website Development Services, E-Learning, IT Support, ICT Support, Networking, Web hosting, Email Hosting, IT Connectivity, WIFI Installation and maintenance, CCTV Camera installation and setup, and more to various and institutions referenced in its website.

The information technology-based services which the company provides are articulated on the document attached below, we request to provide any or all of the information technology services which your company or organization may request. The world is now moving at a very fast pace towards industrial revolution, it is therefore necessary for your organization to have a reliable company that may provide Information Technology services at any given time and at reasonable prices .

We hope that our proposal will be approved.

Thank You!

Yours Sincerely:
